1. Are there non-Medicare payers in your area that will pay separately for a post-operative endoscopy (CPT code 31231) and/or post-operative debridement (CPT code 31237)? If so, please list these payers' names and any other comment regarding their policy. Please attach any correspondence from the payer stating its policy that you may have.

---

---

---

2. Are there non-Medicare payers in your area that will **NOT** pay separately for a post-operative endoscopy (CPT code 31231) and/or post-operative debridement (CPT code 31237)? If so, please list these payers' names and any other comment regarding their policy. Please attach any correspondence you may have describing the payer's policy and rationale.

---

---

---

3. What steps, if any, have you taken to challenge a payer that does not pay separately for post-operative endoscopy and/or debridement. Please attach any relevant correspondence.

---

---

---

4. Other comments or correspondence on other payer policies. Please list which payer.

---

---
