

## Video Poster Presentation Format

The following are guidelines for presentation for the Video Poster Program at the Annual Meeting of the ARS in Chicago, 2008.

- Video length – maximum of 5 minutes
- Video format – Authors are encouraged to create a Microsoft PowerPoint Presentation in which the video is embedded within the presentation itself. Narrated slides can be created alongside the video to demonstrate the case history, radiographic findings, discussion, etc... Videos should be formatted in mpeg -2 or wmv. in order to be accepted by PowerPoint.
- Please load the presentation on a CD or jump drive clearly labeled with presenting author and title of presentation.
- Deadline for submission is Friday, August 22, 2008.
- Please mail the videos to:
