MEETING IS INCLUDED!**

Dear Attendees,

The 4th Annual ARS Summer Sinus Symposium will be held in the beautiful city of Chicago July 16-18, 2015. The symposium will be held at the Westin Michigan Avenue Hotel, located just steps from Chicago's Magnificent Mile.

The ARS Summer Sinus Symposium once again promises to be an exciting, highly educational program that brings together interested otolaryngologists in one forum. I would like to thank our course directors, Dr. Rick Chandra, Dr. James Palmer, and Dr. Kevin Welch who, together with the program committee, have developed an exciting, innovative program, which will cover all aspects of rhinology and the impact these issues have on patient care. National leaders such as Dr. David Kennedy, Dr. Donald Lanza, Dr. Timothy Smith, Dr. Todd Kingdom, Dr. Michael Setzen, Dr. Brent Senior, Dr. Alexander Chiu and many more will lead panel discussions of the pertinent clinical issues affecting the field of rhinology. Our goal is to deliver a program broad in content and reach, and high in value for the practicing otolaryngologist and allied health professional involved in rhinologic patient care. In addition to the core rhinology topics, a large and experienced faculty will address contemporary topics such as rhinoplasty, skull base surgery, practice management, allergy, sleep apnea, the role of reflux, and applications of new technologies, including balloon dilation. This program will serve the interests of all attendees to be sure.

On Friday night, we will mix and mingle in the truly unique Signature Room on the 95th floor of the John Hancock Center, conveniently located just steps from the Westin.

We are confident that our program will meet all of your expectations. We look forward to seeing you in Chicago!

GENERAL INFORMATION

Maintenance of Certification (MOC)

The American Board of Otolaryngology actively sponsors and manages the Maintenance of Certification program, details of which can be found at www.aboto.org. As a service to both the American Rhinologic Society and the Otolaryngology community at large, the *ARS 2015 Summer Sinus Symposium* will offer education regarding the MOC process, and much of the course content will be relevant to rhinologic components of the MOC examinations.

Accreditation Statement

The American Rhinologic Society (ARS) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement

ARS designates this live activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Housing Information

To obtain the necessary amount of meeting and exhibit space at the Westin Michigan Avenue, the ARS must commit to using a minimum number of guest rooms. If that commitment is not met, the ARS will incur significant financial penalties and it will cause a major impact on the future programs that ARS is able to offer. By booking your room at the Westin Michigan Avenue you will help ARS meet their hotel obligation. We thank you in advance for your assistance.
