

FIFTH ANNUAL ARS

Summer Sinus Symposium

The Best Sinus Course in the World!

July 14-16, 2016

Westin Michigan Avenue, Chicago, Illinois

**FREE REGISTRATION
FOR ARS MEMBERS!**

**BECOME AN ARS MEMBER &
REGISTRATION TO THIS
MEETING IS FREE!**

Dear Colleague,

This summer, we are delighted to be returning to Chicago to present the 5th Annual ARS Summer Sinus Symposium July 14-16, 2016. The symposium will be held at the Westin Michigan Avenue Hotel, located just steps from Chicago's Magnificent Mile.

One of the most well attended educational courses in all of otolaryngology, the ARS Summer Sinus Symposium once again promises an exciting, comprehensive program representing the state of the art in clinical rhinology. Our goal is to deliver a program broad in content and reach, and high in value for the practicing otolaryngologist and allied health professional involved in rhinologic patient care. Eminent thought leaders from across the country will address core rhinology topics, as well as rhinoplasty, skull base surgery, practice management, allergy, sleep apnea, and new technologies and devices. Through panel discussions and debates, demonstration dissections, and audience response systems, we strive to create an interactive learning environment, which has been highly praised by our past attendees.

Best of all, the Summer Sinus Symposium is free for members of the American Rhinologic Society. Join the ARS today and receive free registration for the SSS, as well as the many benefits of society membership.

We look forward to seeing you in Chicago!

Peter H. Hwang, MD, FARS
President, American Rhinologic Society

ARS Summer Sinus Symposium
Wendi Perez, Executive Administrator
PO Box 495, Warwick, NY 10990
Phone: 845-988-1631
Fax: 845-986-1527
Email: wendi@amrhso.com

Why attend the ARS Summer Sinus Symposium?

- Engage the presenters: Ask your questions and debate the answers
- Hear the experts discuss the pearls and pitfalls of managing sinusitis
- Watch seasoned surgeons dissect cadavers while answering your questions
- Participate in breakout sessions that are geared towards your practice
- Become an ARS Member and enjoy **FREE** SSS registration!
- It's not to miss: It's the best sinus course in the world!

Ancillary Non-CME & Social Events

THURSDAY, JULY 14, 2016

2:00pm - 4:00pm

Medtronic - Cadaver Workshop (Session #1)
"Advances in Frontal Sinus Surgery"

2:30pm - 4:30pm

Acclarent/Olympus - Cadaver Workshop (Session #1)
"Advanced Sinus techniques utilizing innovative technologies; Balloons, Navigation, Multi-debrider and RF energy...a cadaveric, hands-on opportunity to explore."

5:00pm - 7:00pm

Medtronic - Cadaver Workshop (Session #2)
"Advances in Frontal Sinus Surgery"

5:30pm - 7:30pm

Acclarent/Olympus - Cadaver Workshop (Session #2)
"Advanced Sinus techniques utilizing innovative technologies; Balloons, Navigation, Multi-debrider and RF energy...a cadaveric, hands-on opportunity to explore."

7:30pm - 9:00pm

Medtronic Evening Symposium & Reception
"Office Based Sinus Procedures Utilizing Image Guidance"

FRIDAY, JULY 15, 2016

7:30am - 8:20am

Breakfast Symposium - (Supported by Intersect ENT)
"Breakthrough Evidence in Frontal Sinus Surgery"

12:30pm - 1:30pm

Cook Medical - Lunch Symposium
"Biologic Tissue Grafts in Modern Rhinology"

5:00pm - 6:00pm

Meet the Professors - All Past ARS Presidents in Attendance

6:30pm

Cocktail Reception - Signature Room on the 95th
John Hancock Building

SATURDAY, JULY 16, 2016

7:30am - 8:20am

Breakfast Symposium - (Supported by Olympus)
"Innovations in Sinus Surgery"

The ARS will retain control over the use of Educational Grants, and implement safeguards designed to ensure that educational programs are non-promotional and **free** from commercial influence and bias. All ancillary industry sponsored events are non CME. They are neither sponsored by, nor endorsed by the ARS.

PROGRAM AT-A-GLANCE

FRIDAY, JULY 15, 2016 - MAIN BALLROOM

TIME	TOPIC	MODERATOR/SPEAKER	PANELISTS
8:25-8:30 AM	Welcome	Rakesh Chandra, MD	
8:30-9:00 AM	Keynote Speaker "Frontal Sinus Surgery Today – What's Changed and What's the Same?"	David Kennedy, MD	
9:00-10:00 AM	Pearls and Pitfalls: Safe and Successful Sinus Surgery <ul style="list-style-type: none"> • To understand potential issues we face in sinus surgery • To recognize complications of sinus surgery • To understand appropriate medical management of sinusitis 	Timothy Smith, MD	Donald Lanza, MD Richard Harvey, MD Robert Kern, MD Raj Sindwani, MD Mystery Guest
10:00-11:00 AM	Cases: Medical or Surgical Management <ul style="list-style-type: none"> • Define "maximal medical therapy" for various clinical scenarios • Define failure of maximal medical therapy, as it relates to an indication for surgery • Discuss further medical therapy versus revision surgery in patients with prior FESS 	Rakesh Chandra, MD	Marvin Fried, MD Howard Levine, MD Peter Hwang, MD Douglas Reh, MD Eugenia Vining, MD
11:00-11:30 AM	Break		
11:30 AM-12:30 PM	Cadaver Dissection <ul style="list-style-type: none"> • Understand proper use of powered instrumentation • Understand benefits and limitations of image guided surgery • Improve endoscopic techniques 	Rodney Schlosser, MD	Pete Batra, MD
12:30 – 1:30 PM	LUNCH		
1:30 – 2:30 PM	Frontal Sinus: Tips, Tricks, and Tools <ul style="list-style-type: none"> • Delineate key anatomic structures as they relate to frontal sinus disease • Understand medical management options for treatment of frontal sinus disease • Understand surgical options for management of frontal sinus disease 	James Palmer, MD	Jivianne Lee, MD Roy Casiano, MD J. Anderson Eloy, MD Marc Dubin, MD Antonio Krzeski, MD Donald Leopold, MD
2:30 – 3:30 PM	Doc, I Still Got Sinus <ul style="list-style-type: none"> • Learn how to identify varied endo-types of rhinosinusitis • Learn indications for revision sinus surgery • Increase awareness of condition(s) that can mimic CRS/RARS 	Donald Lanza, MD	Christopher Church, MD Alessandra Varini, MD James Hadley, MD Stacey Gray, MD Jeb Justice, MD
3:30 – 4:00 PM	Break		
4:00 – 5:00 PM	Uh Oh! What Do I Do Now? Managing Complications <ul style="list-style-type: none"> • To understand the options in treating intraoperative bleeding during ESS • To understand the implications of continuing to operate after having an intraoperative complication • To understand when skull base transgressions require repair and when they don't. 	John DelGaudio, MD	David Kennedy, MD James Stankiewicz, MD Rodney Schlosser, MD Troy Woodard, MD Vijay Ramakrishnan, MD
5:00 – 6:00 PM	Meet the Professors All ARS Past Presidents at the Conference		

PROGRAM AT-A-GLANCE

SATURDAY, JULY 16, 2016 - Morning Session/Main Ballroom

TIME	TOPIC	MODERATOR/SPEAKER	PANELISTS
8:30 – 9:15 AM	Preoperative Steps to Facilitate Sinonasal Surgery <ul style="list-style-type: none"> To attempt to define maximal medical therapy for chronic sinusitis To explain the role of preop steroids in facilitating sinonasal care To explain the role of preop antibiotics in facilitating sinonasal care 	Brent Senior, MD	Amber Luong, MD David Conley, MD Michael Stewart, MD Joseph Han, MD David Poetker, MD
9:15 – 10:00 AM	Postoperative Steps to Improve Surgical Outcomes <ul style="list-style-type: none"> Consider the effect of postoperative medical therapy on endoscopic sinus surgery outcomes Examine the timing, extent, and utility of postoperative debridement on endoscopic sinus surgery outcomes Discuss regimens for office follow-up in endoscopic sinus surgery patients 	Sarah Wise, MD	Jeffrey Suh, MD Zara Patel, MD Joseph Raviv, MD Yvonne Chan, MD Parul Goyal, MD Timothy Smith, MD
10:00 - 10:30 AM	Break		
10:30 – 11:30 AM	Medical Malpractice: Steps to Avoid Being Sued <ul style="list-style-type: none"> To inform the attendees what are the most common issues leading to the filing of a malpractice suit To identify how to avoid malpractice suits starting with the clinic visit thru surgery and post op healing To describe how to proceed when a bad outcome occurs which might lead to a suit 	James Stankiewicz, MD	Patricia Nowak, Esq. Scott Graham, MD Abtin Tabaei, MD Subinoy Das, MD James Duncavage, MD David Kennedy, MD
11:30 AM – 12:30 PM	Coding Update 2016: ICD-10, E&M and CPT <ul style="list-style-type: none"> Learn the coding updates for 2016 that affect rhinology Gain a greater understanding of the change in code structure in ICD-10-CM as it pertains to rhinology Develop a better understanding of how to code for the complex areas in rhinology including endoscopic skull base surgery and how to utilize an unlisted code 	Seth Brown, MD	Pete Batra, MD Michael Setzen, MD Ayesha Khalid, MD Justin Turner, MD Cheyenne Brinson (KZA)

SATURDAY, JULY 16 2016 Breakout Session A - Marc Dubin, MD

TIME	TOPIC	MODERATOR/SPEAKER	PANELISTS
12:30 – 1:30 PM	LUNCH		
1:30 – 2:30 PM	Extending FESS Technique Beyond the Usual Bounds <ul style="list-style-type: none"> To discuss the role of endoscopic approaches in management of skull base and orbital pathology To review advantages and limitations of advanced endoscopic reconstructive techniques To appreciate the multidisciplinary collaborative approach for these complex lesions 	Adam Zanation, MD	Donald Lanza, MD Benjamin Bleier, MD Andrew Lane, MD Devyani Lal, MD Eric Wang, MD
2:30 – 3:00 PM	Innovations for Your Rhinology Practice <ul style="list-style-type: none"> To appreciate the role of biomaterials, including steroid eluting implants in the rhinology practice To review surgical innovations for endoscopic sinus and skull base surgery To discuss the role of balloon technology in the clinic and operative setting 	Pete Batra, MD	Ashutosh Kacker, MD Ayesha Khalid, MD Charles Ebert, MD Troy Woodard, MD Paul Russell, MD Martin Citardi, MD
3:00 – 3:30 PM	Break		
3:30 – 4:30 PM	Topical Therapies in Recalcitrant CRS <ul style="list-style-type: none"> To understand the evidence related to delivery systems To understand the effects sinus surgery has on sinus and nasal irrigation To understand the evidence underlying topical steroids and topical antimicrobials 	Kevin Welch, MD	James Hadley, MD Richard Harvey, MD Rakesh Chandra, MD Bruce Tan, MD Eugenia Vining, MD
4:30 – 5:30 PM	Rhinoplasty for the Rhinologic Surgeon <ul style="list-style-type: none"> Pre-operative evaluation of the rhinoplasty patient. This includes discussion of appropriate indications, contraindications, and “red flags” to both functional and cosmetic rhinoplasty Special considerations and potential pitfalls for the patient undergoing concomitant rhinoplasty and ESS Intraoperative techniques preferred by panelists for functional and cosmetic rhinoplasty. This includes important rhinoplasty nuances and how their practice has evolved 	Jay Dutton, MD	David Sherris, MD Michael Setzen, MD Robert Adelson, MD Reagan Thomas, MD

SATURDAY, JULY 16, 2016 Breakout Session B - Amber Luong, MD

TIME	TOPIC	MODERATOR/SPEAKER	PANELISTS
1:30 – 2:30 PM	Immunotherapy Update 2016 <ul style="list-style-type: none"> • Review evidence for efficacy of SCIT and SLIT both drops and tablets • To understand the basic immunological mechanisms behind immunotherapy and connections to other allergic diseases • Identify and choose the patients that will benefit from immunotherapy 	Elina Toskala, MD	Mark Mehle, MD Jacquelynne Corey, MD Sarah Wise, MD Michael Parker, MD
2:30 – 3:00 PM	Allergy Testing and Safety Monitoring <ul style="list-style-type: none"> • To be able to implement the office setup needed for allergy testing and prevention of allergic emergencies • To learn how to test patients for allergic rhinitis via a live demonstration • To be able to manage and prevent anaphylaxis through review of recent updates 	Stella Lee, MD	Elina Toskala, MD Monica Patadia, MD
3:00 – 3:30 PM	Break		
3:30 – 4:30 PM	Medical Advances in the Management of AR/CRS/Asthma <ul style="list-style-type: none"> • Discuss advances in the medical treatment of allergic rhinitis • Discuss advances in the medical treatment of chronic rhinosinusitis • Discuss advances in the medical treatment of asthma 	Richard Orlandi, MD	Alla Solyar, MD Jeremiah Alt, MD Fuad Baroodi, MD Subinoy Das, MD Justin Turner, MD
4:30 – 5:30 PM	CF, Immunodeficiency & AERD: What You Need to Know & How to Treat <ul style="list-style-type: none"> • To identify specific treatment options for CRS in patients with CF, AERD and immunodeficiency • To update understanding of the pathophysiology of AERD and implications in treatment • To identify when and how to consider immunologic work-up in patient with CRS 	Amber Luong, MD	Spencer Payne, MD Scott Graham, MD Kristin Seiberling, MD Bruce Tan, MD Li Man, MD

SATURDAY, JULY 16, 2016 Breakout Session C - Raj Sindwani, MD

TIME	TOPIC	MODERATOR/SPEAKER	PANELISTS
1:30 – 2:30 PM	Surgery in Pediatric Rhinosinusitis: Who, What, Where, When and How? <ul style="list-style-type: none"> • Discuss the latest treatments for refractory CRS in children (who and when) • Discuss the surgical treatment options for refractory CRS in children • Present case scenarios and engage the panelists in their respective approaches for choosing surgical treatments (what and how) 	Hassan Ramadan, MD	David Gudis, MD Fuad Baroodi, MD Ramzi Younis, MD Sanford Archer, MD Mark Gerber, MD
2:30 – 3:00 PM	Debate: GERD Causes CRS <ul style="list-style-type: none"> • To understand the prevalence studies supporting a connection between GERD and CRS • To show the data for and against GERD as a causative factor in CRS • To define the diagnostic and treatment evidence for a connection between GERD and CRS 	John DelGaudio, MD	Janalee Stokken, MD Spencer Payne, MD
3:00 – 3:30 PM	Break		
3:30 – 4:30 PM	Sinus Headaches: Medical or Surgical Management <ul style="list-style-type: none"> • To differentiate the concepts of “sinus headache” and rhinogenic headache • To discuss the role of migraine diagnosis and treatment in the sinus headache patient • To discuss the role of surgery in the sinus headache patient 	Mark Mehle, MD	Marc Dean, MD Jordan Pritikin, MD Joseph Han, MD Devyani Lal, MD Erin O'Brien, MD Kristen Seiberling, MD
4:30 – 5:30 PM	Expanding Your Armamentarium: In-office Procedures <ul style="list-style-type: none"> • To explore factors responsible for the shift of procedures from the OR to the in-office setting 	Raj Sindwani, MD	Robert Kern, MD Naveen Bhandarkar, MD

SATURDAY, JULY 16, 2016 Breakout Session D - Abtin Tabae, MD

TIME	TOPIC	MODERATOR/SPEAKER	PANELISTS
1:30 – 2:30 PM	<ul style="list-style-type: none"> • To discuss indications and techniques of common in office procedures • To understand the use of new technologies and stents in the office setting <p>ARS Mentors and Mentees Session: CRS Cases</p> <ul style="list-style-type: none"> • Dynamic discussion of challenging clinical chronic rhinosinusitis cases by an expert panel of rhinologists • Challenging clinical cases include complex frontal sinusitis • Challenging clinical cases include chronic rhinosinusitis refractory to medical therapy and endoscopic sinus surgery 	Abtin Tabae, MD	Rohit Garg, MD Greg Davis, MD David Conley, MD Stacey Gray, MD James Palmer, MD Michael Stewart, MD Brent Senior, MD
3:00 – 3:30 PM	Break		
3:30 – 4:30 PM	<p>ARS Mentors and Mentees Session: Skull Base Cases</p> <ul style="list-style-type: none"> • Dynamic discussion of challenging clinical skull base cases by an expert panel of rhinologists • Discussion of skull base reconstruction options in a variety of clinical settings • Discussion of intraoperative decision making for complex skull base lesions 	Abtin Tabae, MD	Peter Hwang, MD J. Anderson Eloy, MD Pete Batra, MD Jeffrey Suh, MD

MEETING REGISTRATION FORM

The Early Registration Deadline is Monday, June 13, 2016. Online or faxed registrations should be received by midnight ET on Monday, June 13 to ensure the early rate. Mailed registration forms should be postmarked by the deadline date. Registration forms received after Sunday, July 10, 2016 will not be processed. Please register on-site if you do not meet the July 10, 2016 deadline.

Three easy ways to register:

1. **ONLINE:** <http://www.american-rhinologic.org/sss>
 2. **FAX TO:** 845-986-1527
 3. **MAIL TO:** ARS, PO Box 845, Warwick, NY 109909
- Please choose only one method.*

Please print or type:

The address you list below will be used in all communications. Any field with a "*" is required for registration.

The ARS is not responsible for faxes not received due to mechanical failure or circumstances beyond our control. Due to the high volume of faxes received, we are unable to confirm receipt immediately. Confirmations will be sent within 10 working days. If you require a guarantee of receipt, send registration forms by an overnight carrier who can provide you with confirmation of delivery.

Registration Substitution and Cancellation Policies

SUBSTITUTIONS: Substitution of one individual for another is not allowed.

MEETING CANCELLATION: Requests for refunds must be made in writing and received on or before Friday, June 17, 2016. There is a \$50 handling fee for ALL refunds and returned checks. Cancellations and registrations postmarked after the deadline date will not be eligible for refunds.

GENERAL INFORMATION

Maintenance of Certification (MOC)

The American Board of Otolaryngology actively sponsors and manages the Maintenance of Certification program, details of which can be found at www.aboto.org. As a service to both the American Rhinologic Society and the Otolaryngology community at large, the *ARS 2016 Summer Sinus Symposium* will offer education regarding the MOC process, and much of the course content will be relevant to rhinologic components of the MOC examinations.

Accreditation Statement

The American Rhinologic Society (ARS) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement

ARS designates this live activity for a maximum of 15.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Housing Information

To obtain the necessary amount of meeting and exhibit space at the Westin Michigan Avenue, the ARS must commit to using a minimum number of guest rooms. If that commitment is not met, the ARS will incur significant financial penalties and it will cause a major impact on the future programs that ARS is able to offer. By booking your room at the Westin Michigan Avenue you will help ARS meet their hotel obligation. We thank you in advance for your assistance.

ANCILLARY NON-CME & Social Events

ARS Resident Course and Cadaver Lab with Satellite Symposia

Thursday, 9/15/16

1:00pm - 5:00pm (Sponsored by Acclarent/Olympus) Didactic Session:
To give a detailed overview of rhinologic topics directed at a resident audience.
Topics will cover medical, surgical and practice related issues.

5:30pm - 7:00pm (Sponsored by Intersect ENT) Reception: To give the residents an opportunity to network with current leaders of the ARS and Fellowship directors who they will want to work with in the future.

Friday, 9/16/16

8:00am - 12:00pm (Sponsored by Acclarent/Olympus) Dissection Lab:
The purpose of the cadaver dissection portion of the ARS Resident Course is to give residents an opportunity to see experts in the field prosecuting specific rhinologic procedures and then getting the chance to practice those same techniques themselves via cadaver dissection.

Details at: http://www.american-rhinologic.org/annual_meeting
